

19th Annual Massachusetts Chapter 5K Run/Walk to Break the Silence on Ovarian Cancer®

The 5K Run/Walk to *Break the Silence on Ovarian Cancer*® is the largest fundraiser and awareness event for the National Ovarian Cancer Coalition (NOCC).

Organized by local NOCC chapters, this event celebrates our survivors, remembers those we've lost to ovarian cancer, and increases awareness of the disease.

ABOUT THE NOCC

Massachusetts Chapter

The NOCC Massachusetts Chapter invites you to participate in the 19th Annual 5K Run/Walk. The chapter is comprised of ovarian cancer survivors, supporters, and health care professionals committed to raising awareness, promoting education, and raising funds for ovarian cancer research. Each member is dedicated to improving survival rates, as well as improving the quality of life for women affected by ovarian cancer.

What are the FACTS?

Ovarian cancer is a disease in which malignant or cancerous cells are found in the ovaries. An ovary is one of two small, almond-shaped organs located on each side of the uterus that store eggs or germ cells and produce the female hormones estrogen and progesterone.

1 in 75

Women will be diagnosed **with ovarian cancer** in her lifetime

Fewer than **20%** of ovarian cancer cases are diagnosed early

All Women are at risk of **ovarian cancer**

22,000

Diagnosed with ovarian cancer in 2016

14,000

Deaths from ovarian cancer in 2016

Currently **NO** early detection test exists

4 Symptoms of Ovarian Cancer

Ovarian cancer is difficult to detect because symptoms can be vague and subtle, and are often misdiagnosed as benign illnesses.

Feeling the need to urinate urgently or often

Pelvic or abdominal Pain

Bloating

Trouble eating or feeling full quickly
