

## GETTING STARTED

**The University of Texas MD Anderson Cancer Center is extremely grateful for the efforts conducted on our behalf through Third Party Fundraising and for the generosity and support of all who wish to join our mission to end cancer. By participating in Third Party Fundraising, you help us grow not only our monetary resources but also our geographic outreach as a community representative in our efforts towards Making Cancer History®. Given our status as a state institution and our limited staff, we include a list of guidelines below outlining the fundraising process and our ability to support your efforts. We look forward to working with you. Thank you again for your interest in supporting MD Anderson.**

### 1. THIRD PARTY FUNDRAISING BASIC PROCESS FLOW

- iv) Organizer submits for approval a draft of any promotional materials for the event/project. The drafts may be sent via email through attachments, screen shots or standard text.
- v) After the event, organizer mails all donations to:
