

THIRD-PARTY FUNDRAISING FREQUENTLY ASKED QUESTIONS

GENERAL

Will I be held responsible for the amount estimated on my proposal form?

No, you will not be held responsible for the donation total estimated on your proposal form. This is for internal reference only. Any amount raised is greatly appreciated.

Can supporters donate to my event online?

Yes. You can direct your supporters to the third-party online giving site at www.MDAnderson.org/MyFundraising2. Please contact your P2P Team to verify your solicitation code. This code may then be entered where noted when completing the third-party online donation.

I currently work with a member of Philanthropy who is not P2P staff. May I work with her/him on the event?

While we understand it is preferred to have only one contact with an organization, it is best for all fundraising efforts to be processed through the P2P Team to ensure accuracy, efficiency and consistency. You will still maintain communications with your current Philanthropy contact for all other needs.

If I am approved for one event and indicate on the proposal form that I intend to hold the event annually, do I need to submit a new proposal form each year?

Yes, you will need to submit a new proposal form for a repeated event.

May I change the fund designation for my event after the proposal form has been approved?

Yes, you may change the area you wish to support as long as funds have not yet been allocated to the original fund designation. To ensure the donation is allocated correctly upon receipt, please notify your P2P Team representative as soon as you are able.
