## PFFA Member Breakout Sessions

The Member breakout sessions are back by popular demand with more time to meet with your immediate peer groups. The Work Group has hosted these breakout sessions for several years, but they always seem too short or rushed when folded into the Work Group day. For this Work Group, we have set aside time and meeting space to meet with your fellow PFFA member groups and talk through an agenda that is set by you!

Please email any desired topics or questions you have for your member peer group, and we will compile all requests into an agenda that will be shared in advance of the event. Please send requested topics or questions to Hoag's attention at [info@pffaus.org](mailto:info@pffaus.org).

**Time & Date of Member Breakout Sessions:** March 18, 2024 (the day before the Work Group as opposed to the morning after) from 3:30 -5:30 pm. These breakout sessions are for in-person attendees.

**Location:** DialogueDirect, 1100 17th St NW Suite 370, Washington, DC 20036
